9th ANNUAL FOCUS ON HEALTHCARE CONFERENCE

Avalere Health LLC

Bonnie Washington
VP

Bonnie Washington, Vice President, provides clients with strategic policy advice on a wide range of issues including Medicare policy development, health reform, and commercial strategy. Bonnie has particular expertise in the Medicare prescription drug benefit, Medicare Advantage, and pharmaceutical and health plan issues.

Prior to joining Avalere, Bonnie led health policy development efforts for Novartis Pharmaceuticals Corporation and Ovation, a UnitedHealth Group Company. Prior to her industry experience, Bonnie led the Office of Legislation at the Centers for Medicare & Medicaid Services, formerly known as the Health Care Financing Administration. Specifically, Bonnie advised and represented the CMS administrator on legislation and policy related to Medicare, Medicaid, and the State Children's Health Insurance Program (SCHIP). She also represented the administration before members of Congress and congressional staff. Previously, Bonnie served as an analyst with the Office of Management and Budget (OMB), advising OMB and White House policy officials on Medicaid and SCHIP policy options.

Bonnie holds a B.A. from Loyola College in Maryland and a M.Sc. from the London School of Economics
